REFORMATION EXCITEMENT...

On October 31, 1517, hammer blows were struck that literally shook the world. On that day, Dr. Martin Luther nailed his 95 Theses to the church door in Wittenberg, Germany. Luther was looking for a debate on these 95 issues, but it was this action that is heralded as the beginning of the Reformation.

As we worship on Reformation Sunday, we will celebrate the 466th anniversary of Luther's action in Wittenberg as well as the 500th anniversary of Luther's birth (Nov. 10, 1483). As always, we will worship the Triune God: the Father who has created and preserved us; the Son who has redeemed us; and the Holy Spirit who has brought us to faith in Jesus Christ and keeps us in this faith. We will rejoice that Luther fought to preserve the pure, clear Gospel message of salvation for Christ's sake through faith.

We do not have to pay penance, or buy indulgences, or say rosaries, or spend time working-off our sins in purgatory. We have God's Promise that thru faith in Jesus as our Savior we have forgiveness of sins, life, and salvation -- beginning now and continuing into eternity.

The excitement of Reformation Sunday comes from knowing, beyond a shadow of a doubt, that we are God's people through Christ. We have been baptized. We are forgiven. We don't live in fear, but in freedom. In Christ we are free to worship, free to give thanks and praise, and free to give of our time, talents, and treasure for the Lord's Kingdom. We look at what God has done for us; then we look for ways in which we can serve.

Join your fellow Christians for worship on Reformation Sunday. Then come to the Martyr Party that evening and enjoy the fellowship of your brothers and sisters in Christ.

Peace and Joy,  
Pastor Norm

A CHURCH HITCHHIKER...

A POINT TO PONDER: "With his thumb, a hitch-hiker says, "You furnish the gas, car, attend to the repairs and upkeep, supply the insurance, and I'll ride with you. But if you have an accident, I'll sue you for damages." It sounds pretty one-sided but one wonders how many hitch-hikers there are in many organizations, even churches. Many members seem to say, "You go to the meetings, you serve on boards and committees, you do the paperwork, you study the issues and take care of things that need doing and I'll just go along for the ride. If things don't suit my fancy, I will complain, criticize, and probably get out and hitch-hike to another group."

Hitch-hiker or driver ... which kind of member are you???
