LCEF INVESTMENTS

For those of you who are already planning to transfer money into LCEF to back our proposed building program, please do so soon; April 15th is only a few weeks away! If you have not heard back from your families or friends yet, why don't you remind them of our deadline and the importance of those investments. Of the \$70,857 goal, we have received \$74,097, leaving a balance of \$59,793 still needed to attain our 40% goal.

Remember, there are three savings programs available, from a \$10 minimum pass book type account to the more long term IRA's, and the money in the program is still yours. Please do as much as you can, as soon as you can, to help back the loan for our new church.

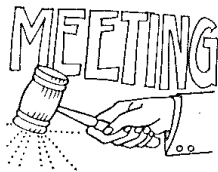

- 1985 -

Five of Concordia's young people will be affirming their baptismal relationships with Jesus Christ as they participate in the Rite of Confirmation on April 28th. These confirmands will be sharing their faith the the congregation the previous Sunday by means of prepared presentations. The confirmands include Ricky Campbell, Michelle Harris, Dan Love, Shannon Young, and Tiffany Young. May God bless them and help them to remain faithful to him.

I would like to thank those who attended the March voters meeting. Action taken included a nice salary for myself and the church will be closed two Sundays in June. The first for a golf tournament to benefit the Taylor poor fund and the second will be for a fishing contest to buy Pastor a new car.

No, these items did not pass but only because Karl Mattlage, Lou Volberding, Chip VonThaden and Roe Schmoock (the only members present who were not officers) prevented them from taking place.

Some positive things were passed such as, the property and the church will be listed with a realty firm, a new (used) organ will be purchased, new members were accepted and informative reports from committees and officers were given.

All these good things took place in less than two hours and our church continues to move forward.

The voters meeting takes place the second Tuesday of each month and the church, your church, business is conducted in this manner. Shouldn't you be a part of it? Your voice is important to the work of the church, but if your voice is not there it can't be heard. The Lord gave us all certain talents and it is unfair to him and to your fellow members if these talents are not put to use. The next decision could be the one you are an expert in, so why not share it with your brothers and sisters in Christ?

Please mark your calendar now for the next couple of meetings which are on the second Tuesday of each month. The Lord's work needs to be done and we need your help to do it.

Yours in Christ,

Walt Taylor

A CLEAR VICTORY--A CLEAR MESSAGE...

The joy of Easter comes from the clear victory of our Lord Jesus Christ over the power of sin, death and the devil. With his death on the cross, he paid for our sins. With his resurrection from the dead, he assured us not only of his victory, but of ours as well.

The resurrection of Christ is the central thrust of all that we do and say as Christians. Paul said that if Christ is not risen, then all of our preaching and all the work of our faith is in vain. But he is risen, and he is the "first-fruit" of those who believe in him.

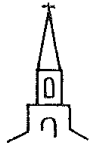

The message of Christ's resurrection does not always ring clear from our lives. We sometimes act as if Jesus were still in his grave as we let fears, worries and anxieties overwhelm us. We send out a garbled message so that people are not able to see a risen Savior. It's like the little boy who told his mom on Easter Sunday, "We learned a new song today." When asked the name of the song the boy said, "Jesus Christ has rhythm today." The message was garbled.

Our faith is in a risen Savior who smashed the powers of darkness and won a clear and resounding victory. May we live that Easter faith each day and give the world around us the clear message that we are God's Easter people!

Easter Peace and Joy,
Pastor Norm

CHURCH DEDICATION...

Gracious Saviour Lutheran Church of Edwards, CO will be dedicating its new church building on April 21 at 4:00 p.m. The members of Concordia are invited to share in the celebration. VOTERS' ACTIONS...

The Voters' Assembly made two major decisions at the March Voters' meeting. The first was to put the present church building and the three home sites on our new property on the market by listing them with the Professional Group. The second was to purchase a used Baldwin electronic church organ for use in our new church as well as our present building until we move. This organ is being purchased with money given in memory of Jean Wiese. We thank Nade Wiese, Stacey and Chris for approving this use of the memorial money. May God be glorified as we worship with the new organ.
