### Call Committee Update

The Call Committee is proceeding with a second interview on one of our candidates and we are continuing to evaluate two additional candidates. We are extending an invitation for an interview for one candidate and are considering interviewing the second one. In addition to the above, we have revisited our original list from the district and will be contacting four of the pastors to see if their preferences and prior commitments have changed from our first evaluation. Should they be interested, we will consider extending an interview request.

Please continue to pray for the Call Committee to be led by the Lord and that the Holy Spirit continues to guide us in this process, and that we don't get in the way of God's will. Thank you for your prayers and patience.

### Concordia's Annual Food Drive

June is Concordia's month for supplying Lift-Up's food bank. Paper bags with a list of foods and personal items most needed are here at Concordia. You may fill them and leave them at the Church, or bring them over to Lift-Up. There is a critical shortage at this time. Your generosity and caring will be very much appreciated!

(Last year Concordia's food drive for the Lift-Up food bank was one of the most successful in the Steamboat Springs Community thanks to your generous donations.) You do make a difference in the lives of so many who are struggling just to feed themselves or their family.
