

What are services like?

We use "Screens" in our 10:30am service so you can follow the service on the screen above the altar. We also have a bulletin which guides you as to what the order of service is.

The 8 am service is traditional with organ and piano accompaniment to more traditional hymns.

The 10:30 am service is a more contemporary worship service in which we blend the best from our traditional service with contemporary Christian music.
